

General Farm Shop Product List

This is a general product list of the most popular items asked for by customers on their orders. It is by no means everything we have available in the farm shop – if there is any other product you require, just ask a team member when placing an order and they can advise on availability, price, sizes and options. We will endeavour to hold all quoted prices, however we are reliant on our suppliers and must stress all prices are subject to change.

Please Telephone: 01909 723018 or email to: arrow_cafe1@arrowfarmshop.co.uk with your shopping requirements for our non-contact order and collection service.

Many thanks for your continued support in these challenging times.

(All items subject to availability and prices are subject to change – prices correct as at Jan 25th 2021)
